This matter was opened to the New Jersey State Board of Dentistry ("Board") upon receipt of a patient complaint from Donna Gora concerning dental treatment performed by the respondent consisting, in pertinent part, of extensive restorative dentistry and periodontal treatment. The Board reviewed the entire record in this matter consisting of the patient charts, x-rays, the report of the subsequent treating dentist, and further information acquired at an investigative inquiry attended by the respondent on January 19, 1994. This review disclosed a failure of the dental treatment resulting in eventual replacement of all composite fillings performed by respondent because of poor restorative dentistry in which several

teeth had caries under composite fillings placed by respondent and several teeth had open margins; also there was improper diagnosis and treatment planning for periodontal disease and improper periodontal treatment with respect to this patient.

It appearing that the respondent desires to resolve this matter without recourse to formal proceedings and for good cause shown;

IT IS ON THIS 1<sup>st</sup> DAY OF ~~MAY~~<sup>June</sup>, 1994,

HEREBY ORDERED AND AGREED THAT:

1. The respondent shall successfully complete twenty-one (21) hours of continuing education in periodontal diagnosis and treatment and twenty-one (21) hours of continuing education in simple restorative and operative dentistry, for a total of forty-two (42) hours of continuing education. These courses shall be approved by the Board in writing prior to attendance utilizing the attached Pre-Approval Sheet, and the courses must be completed within six (6) months of the entry date of this Order. Respondent also shall be required to complete the attached Continuing Education Report and Proof of Attendance as proof of successful completion of the required course work. The attached forms are made a part of the within Order, and a separate form is to be used for each course. The continuing education ordered herein shall be in addition to, and not a part of the mandatory continuing education required for licensees.

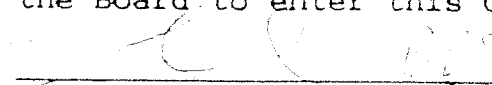

2. Respondent is hereby reprimanded for failure to completely remove caries from the patient's teeth before performing the restorative dentistry.

**STATE BOARD OF DENTISTRY**

By: 

Marvin Gross, D.D.S., President

I have read and understand the  
within Order and agree to  
be bound by its terms.  
Consent is hereby given to  
the Board to enter this Order.

  
Jerome Lustbader, D.D.S.
